

JK Nuggets

February 18, 2016

This week in JK we...

- Put on our first play for "P" Week, *Goldilocks and the Three Dinosaurs*. We had a great time performing our play for kindergarten!
- Began our measurement unit in math. We practiced measuring objects by placing them against a common point to see which was longer and which was shorter.
- Created animal footprints using clay and stamps in Science.
- Decorated our "P" outlines using penne pom-poms.
