## Green-White Track Meet

Please let us know ASAP whether you will be able to take a group of children to watch the track meet on Friday, May 23rd!

We will be looking for costumes and props in the storage areas tomorrow afternoon, and making some props. Please come help, if you are free!

## Adopted Trees

On Tuesday, we visited our adopted trees with our mentors so that we could sketch their spring foliage. It was a beautiful day to be outdoors on the Hill campus!

## Field Trip to Montpelier

We had great weather and lots of interesting

experiences, including a tour of President James Madison's home; looking at an archaeological dig site and artifacts found at Montpelier; and using colonial era tools. Our final field trip!
