

SECOND GRADE NEWS

SPREADING THE LOVE...

Spread the Love

For Valentine's Day and Hundred's Day we are asking the students to "spread the love" by bringing in 5 or more cans/boxes/food items for the Trinity Church Food Closet which services many families in our community. Our goal is for the students to think outside of themselves—valentines and food for others.

Below is a list of items we could provide, but feel free to purchase any non perishable food items.

- Canned Fruits & Veggies (we have enough green beans)
- Stews & Chili
- Small Mustard, Ketchup, Mayo
- Spaghetti Sauce (we have enough pasta)
- Canned Tuna, Chicken, Spam & Meat
- Vegetable Oil
- Chunky Soups
- 1 lb. sacks of flour & sugar
- Toilet paper
- Baking/Pancake Mixes
- Jelly & Syrup
- Lunch box size snacks
- Corn Muffin Mix
- Mac & Cheese
- Peanut Butter
- condensed/evaporated milk
- Cereal
- Tea bags

February 11, 2016

Questions to ask your child this week:

Let's go to the store for you to choose 5 food items to bring in for "spread the love" for Hundred's Day and Valentine's Day!

Tell me about your new book buddy (ies) from the fifth grade!

What did you have for your Valentine snack today? Was it delicious?

How do you get a deep color when glazing a pinch pot?

What instruments were played during the JK-8 Assembly? Who played in the concert?

CLASS NOTES

- ⇒ Flat Mes were mailed on Saturday. If your child's flat me was sent inside the US, please check in with the recipient this weekend and make sure it has arrived. If mailed outside the US, perhaps check in next week.
- ⇒ Many thanks to those that have already brought in their food items for our Spread the Love campaign!
- ⇒ We have started Book Clubs 5.2. It is a buddy reading program with the fifth graders. The fifth graders will come to us in small groups each week to read with second graders. We are excited!

Happy Valentine's Day
