Grandparents, Special Friends and Important Info.!

Grandparents' and Special Friends' Day

Grandparents and Special Friends day is tomorrow. Guests should begin the day in the lunchroom for refreshments and a welcome by Treavor Lord at 10:15. Afterwards, guests should head straight to the theatre for the JK-2 Spring Sing. When finished there, guests are welcome to come to the classroom, find their 2nd grader, receive our program, and enjoy a few classroom activities and a slide show presentation of "A Day in the Life of a Hill School Second Grader." At noon, please feel free to take the time to head out to the Art Show, Our World of Flatness, a visit to the gym to see the phenomenal Auction set, and the May Pole Dance. This is a wonderful day and we are so pleased to be able to meet the students' families and friends, people we hear so much about throughout the school year. Don't forget to check the *Take Note* for the school's list of appropriate student attire for the day!

Questions to Ask Your Second Grader:

I can't wait to see your boat tomorrow!

What songs are you singing for the Spring Sing?

If you had 24 stickers and I gave you 2 more sets of ten and 4 single stickers, how many would you have?

Is your monster book being published?

What is difficult about school? Why do you think that is?

How is your last rap-tor coming?

Spunky's

Spunky's is a shop run by the third grade students as they practice taking money and making change. The shop sells fancy school supplies such as pencils, pens, notepads, and erasers. All items purchased should be brought home for use there. Second graders that would like to visit Spunky's should be accompanied by an adult.

Flat Mes

The Flat Mes have all been shared and we have been so entertained and delighted with the thought and time put into these projects by the special family and friends. Please feel free to stop by the board outside the classroom to view the Flat Me map—it looks almost like a spider web with the strings leading from the students' names to all the places they've visited. Our "World of Flatness" (the Flat Mes, letters, and a few pictures from their trips) is located in the 7th-8th grade hallway; if you are not coming to Grandparents' Day, stop by soon and check it out—it's definitely worth the time!
