I was at your feeder today. Tell Ms. Whitehead what I am and earn a pompom!

Spreading the Love...

We are waiting for confirmation, but we hope to visit the Trinity Church Food Closet on Monday, Feb. 25. If you are able and have not yet sent in food donations, please do so tomorrow or Monday morning. The students will be counting the food items by 2s, 5s, and 10s tomorrow. Let's offer them a challenge—if you have not yet sent in food items, send in at least 4 items! Next week we will tell you how much we collected! Today is the 100th day of school so we hope to collect at least 100 items!

Questions to ask your child :

Let's work with coins!

What are the three things you need to think about while in gymnastics rotations? (quality not quantity, listen carefully to directions, and take turns)

Let's call your Flat Me recipient and make sure she/he arrived! (all Flat Mes were mailed on Feb. 15)

Tell me about your new reading/writing genre! (photo essay) What kinds of things must you write about in your essay?

CLASS NOTES

- ⇒ On Wednesday, Feb. 27th, second graders will participate in the 2-3 Gymnastics assembly in the gym at 11:00. **All students need to wear comfortable/stretchy shorts, leggings, or pants** and will be given t-shirts to wear during the assembly. Come see what your children have been learning in sports this month! We look forward to seeing you there.
- ⇒ We are collecting empty, clean 1 or 2 liter soda/seltzer/water bottles for a culture study activity. If you have them please send them in with your child. Thank you!!
- ⇒ In social studies we will begin using a great birding website,
- ⇒ allaboutbirds.org. There are so many interesting pieces of this site—bird identification, games, bird study, and webcams just to name a few! Take a tour of the site with your child and enjoy learning about birds!
