Grandparents' and Special Friends' Day

Grandparents and Special Friends day is next Friday. Guests should begin the day in the lunchroom for refreshments and a welcome by Treavor Lord at 10:15. Afterwards, guests should head straight to the theatre for the JK-2 Spring Sing. When finished, guests are welcome to come to the classroom and enjoy a few classroom activities and a slide show presentation of "A Day in the Life of a Hill School Second Grader." Afterwards, feel free to take the time to head over to the Art Show, Our World of Flatness, visit the gym to see the phenomenal Auction set, and enjoy the May Pole Dance. This is a wonderful day and we are so pleased to be able to meet the students' families, friends, and people we hear so much about. Don't forget to check the *Take Note* for the school's list of appropriate student attire for the day!

9:30—Lunchroom Registration

10:30—Theater for the JK-2 Spring Sing

11:10—Classroom—activities + slide show loop

12:00—Science room, Art Show, Flat Mes

12:40—May Pole (unless it is raining)

12:55--Students return to classroom to pick up belongings and to be dismissed to an adult

Questions to Ask Your Second Grader:

What songs are you singing for the Spring Sing?

If you had 44 stickers and I gave you 3 more sets of ten and 5 single stickers, how many would you have? Then how many would be left if you gave away 25?

How is your bird re-search coming along? Is it challenging work?

What play are you doing for the Spanish Assembly? Is it going to be funny?

What is the equator? Is it warm or cold near the equator? What are the lines of latitude and longitude? What states or countries or oceans border the place your Flat Me went?

THANK YOU AND NOTES

⇒ MANY THANKS to Ashley Whitner for taking care of the second grade auction item. Each second grader shared what he/she would like to be when grown up. Their goals were painted into a beautiful tree painting by Cathy Zimmerman. Get your pocketbooks ready, this is a keeper!

⇒ MANY THANKS for our beautiful teacher appreciation flowers and wonderful thank you notes written by the children! We enjoyed reading our notes, receiving our bouquets, and eating a delicious lunch prepared by caring parents! Thank you for your thoughtfulness!

⇒ If your child/children will not have a parent/grandparent/special friend on Grandparent's Day, please let me know so that I can pair him/her/them up with a friend!

⇒ We are sharing the Flat Mes, photos, and adventures and we are working through our map skills unit as well. Ask your child a few map questions or ask what map vocabulary he/she has learned!
